

We are starting our final half term in Reception and are continuing our 'Pirates' and 'Summer' topics for a little longer. The children have loved learning pirate songs, listening to pirate stories and even planning for our well earned pirate themed silver party which was very much enjoyed by all! We will be continuing this very popular topic for a few more weeks and then the children are also going to be choosing some additional topics too! Get your thinking caps on Reception and let me know what you want us to learn about next!

## PE

Our PE lesson will be on a Monday.

The children will need :

- Blue shorts
- Pale blue polo shirt
- Pumps or trainers

*No earrings or watches to be worn at all.*

*We will also still be visiting the forest on a Monday so wellies and raincoats are needed.*

## Reading

All children will continue to read to an adult on a one to one basis every week so please ensure that reading books are brought into school on a daily basis.

We would really appreciate your support in completing the reading diaries so that we can see when a book has been completed.

## Child Vote Story

Children may also continue to bring in a story from home to add to our child choice story vote if you would like to do this. This has proved to be very popular with the children in class who choose which story they would like me to read at the end of each day.

# CLASS NEWSLETTER

## Homework

Our new 'Summer' themed home learning challenges have been added to Class Dojo and there are a variety of different activities here for the children to complete with you, which relate directly to our topic. The tasks should last the children until this topic ends .

Please keep up the hard work and sharing this work via Class Dojo as the children are always so proud of their efforts and it is really interesting to see which challenges the children have enjoyed completing the most.

## Apple Tree Town

We are all very excited about our class trip to Apple Tree Town on Friday 7th June. I will make sure that I add lots of photographs to 'Evidence Me' so that you can all see how much fun learning through play can be.

## Water Bottles

*Please can children bring their own water bottle in to school every day.* This really saves precious learning time as children can access these from the classroom when they are thirsty.

If you have any queries or concerns, please contact either of us at the end of the day.

Ms Wynne , Miss Perry and Mrs Tonge :)
